KARNATAKA STATE HIGHER EDUCATION COUNCIL (KSHEC)
ANNUAL RETURNS OF INFORMATION BY PRIVATE UNIVERSITIES IN THE STATE OF KARNATAKA
(to be submitted in soft and hard copy form)

As per the State Private University Act, the Karnataka State Higher Education Council (KSHEC) shall conduct periodical inspection and send a Report to the State Government on the University regarding:
Standard of instruction for grant of Degree
Quality of education
Commercialization of Higher Education, and
Contravention of provisions of the Act if any
Towards meeting this requirement, the KSHEC has devised the following *Annual Returns of Information* Format to be filled in and submitted to it by each Private University on or before June 30 of each year. This will form the basis for the KSHEC inspection of the University on a triennial basis or earlier, as may be decided by the KSHEC.

Information about technology-based learning is enabled at the University.

LIBRARY BY BRIGADE FOUNDATION

The Library by Brigade Foundation is a hub of knowledge designed to promote collaborative learning, foster innovation, and create an advanced smart library ecosystem. Its infrastructure features a modern and welcoming design, with open spaces, cozy study nooks, and abundant natural light. Spread over a total area of 39,000+ sq. ft., the library can accommodate nearly 1,000 people at a time.

This state-of-the-art facility serves as an inclusive and integrated space for the entire academic community, offering invaluable resources for students, faculty, and researchers. The library is the backbone of academic and research activities, facilitating access to a diverse array of knowledge including physical and digital materials. The current collection comprises 21,537 books, 33 print journals/magazines, 6,000+ e-journals, 13,000+ e-books, and access to 10+ online databases across various disciplines. These resources support a wide range of academic programs and research initiatives.

Its dynamic environment encourages collaboration, ensuring that the library remains a vibrant hub for learning and intellectual exchange. The library is equipped with dedicated research hubs, study pods, an amphitheatre, AR/VR and Kindle Labs, and a self-service kiosk, along with outdoor reading and discussion spaces. It offers a seamless and personalized learning experience for every user.

All library functions are fully automated using the LIBSOFT Library Management System and are enabled with RFID technology for surveillance and circulation operations. The library is connected with high-speed internet and Wi-Fi, supported by multimedia systems to access a range of licensed and open-access electronic resources in all subject areas. A team of trained and committed library staff is always available to assist the academic community with relevant and timely information.

A team of trained and committed library staff is always available to assist the academic community with relevant and timely information.

Core Functions of LIBSOFT:

Catalogue Management: This feature enables librarians to catalogue and organize book records. It supports the import and export of catalogue data and maintains detailed metadata for books, including titles, authors, ISBNs, and subjects etc.

Member Management: LIBSOFT allows for the registration and management of member details, including the issuance, renewal, and return of books. It also tracks the borrowing history of members.

Circulation Management: The system handles check-in and check-out processes efficiently, manages reservations and holds, and generates alerts and reminders for overdue books.

Acquisition Management: This function manages orders, invoices, and vendor information, tracks acquisition statuses, and monitors library budgets and expenditures.

Serials Management: LIBSOFT oversees subscriptions to journals and periodicals, tracks received and missing issues and handles renewals and cancellations.

OPAC (Online Public Access Catalogue): The system provides an online interface for patrons to search the library catalogue, place holds, renew books, and access their account information.

Reports and Statistics: LIBSOFT generates detailed reports on circulation, acquisitions, cataloguing, and serials etc. It also offers statistical analysis for library management and includes customizable report templates.

Inventory Management: The system facilitates inventory checks, manages lost and found items, and handles the removal of outdated or damaged materials.

By leveraging these core functions, RVU Library ensures efficient management and smooth operation of its services, benefiting both staff and patrons.

RFID System Integration with LIBSOFT:

RVU Library has integrated RFID (Radio Frequency Identification) technology with LIBSOFT, enhancing its operational capabilities significantly. This integration includes several key benefits:

Automated Check-in/Check-out: Use RFID tags on books and member cards for quick and accurate check-in/check-out, reducing wait times and manual entry errors.

Anti-Theft System: Implement RFID gates at library exits to detect unissued books and alert staff in case of unauthorized removal of materials.

Inventory Management: Conduct rapid inventory checks using handheld RFID readers; locate misplaced items quickly; update inventory records in real-time.

Self-Service Kiosks: Allow patrons to check out and return books using self-service stations, enhancing user experience by providing independence and privacy.

Operational Efficiency: Automation of tasks like sorting returned books and managing item locations streamlines library operations.

Patron Identification: Use RFID-enabled member cards for easy identification, improving security and access control within the library.

This integration underscores RVU Library's commitment to efficiency and service quality through advanced technology integration with LIBSOFT.

Library Resources and Facilities:

1. Library Collection:
    a) Books – 21,537
    b) e-books – 13,203
2. Journals /Periodicals, e-journals (National and International):
    a) Journals/Periodicals: National – 22 & International – 11
    b) e- journals – 6378
3. Digital Library Resources:
4. Wifi Network in the library to access digital resources
5. Online databases
    a) JSTOR
    b) IEEE – All Society Periodical Package with IEEE Proceedings

14. iDikover Remote Access Platform: The **iDiskover Remote Access Platform** of **RV University (elibrary.rvu.edu.in)** is a digital library gateway that provides seamless off-campus access to academic resources for students, faculty, and researchers.

    Through this platform, users can access a wide range of electronic resources including e-books, e-journals, databases, and reference materials subscribed by the university library, along with following strong collection of Open Access (OA) eBooks.

- **Engineering Books:** 19,000 titles
- **Management Books:** 2,000 titles
- **Medical Books:** 32,000 titles
- **Social Science Books:** 96,000 titles
- **Agriculture Books:** 4,900 titles
- **Basic & Applied Science Books:** 31,000 titles

Apart from these subject-wise collections, the platform also provides access to thousands of Open Access journals, and research outputs from global scholarly sources, significantly expanding the university's knowledge base.

iDiskover remote access platform enables unified discovery and access to both subscribed and open-access content through a single search interface, improving research efficiency and academic support.
Overall, the platform strengthens RV University's hybrid library ecosystem by integrating licensed scholarly content with extensive Open Access resources, ensuring wider accessibility and continuous academic engagement for its users.

Interactive Classroom

a) Interactive smart board (MAX hub)
b) RV University has a 1000 Mbps leased line on fiber. The browsing center has 100 nodes and is open from 9.00 am to 12.00 midnight for access to students, and we have a router at each classroom and lab.
c) Classrooms are fully equipped with A/V System, and Impartus Lecture Capture, which brings about a paradigm shift in the educational experience.

Outcome-Based Education (OBE) Philosophy and Implementation at the University

A Learner-Centric Approach to Academic Excellence

The University has adopted Outcome-Based Education (OBE) as the foundational philosophy guiding the design, delivery, assessment, and continuous improvement of all its academic programmes. OBE represents a paradigm shift from a traditional content-centric approach to a learner-centric framework that emphasizes the knowledge, skills, competencies, attitudes, and values that students are expected to demonstrate upon successful completion of their programmes.

Aligned with the principles of the National Education Policy (NEP) 2020 and global best practices in higher education, the University's OBE framework seeks to ensure that every academic programme contributes meaningfully to the holistic development of learners while preparing them to meet the evolving demands of society, industry, research, entrepreneurship, public service, and lifelong learning.

Institutional Approach to Outcome-Based Education

The University's OBE implementation is anchored in a structured academic framework that begins with clearly articulated Programme Educational Objectives (PEOs), Programme Outcomes (POs), Programme Specific Outcomes (PSOs), and Course Outcomes (COs). These outcomes are designed to reflect disciplinary expertise, interdisciplinary understanding, critical thinking, problem-solving ability, ethical responsibility, communication skills, leadership capabilities, innovation, and global citizenship.

Each School develops its curriculum through a systematic outcome-mapping process to ensure alignment between institutional goals, programme objectives, course outcomes, pedagogical practices, and assessment strategies. The curriculum is periodically reviewed and updated through stakeholder consultations involving faculty members, industry experts, alumni, employers, professional bodies, and academic leaders to maintain relevance and responsiveness to emerging societal and professional needs.

OBE Across the University's Multidisciplinary Academic Ecosystem

The University's multidisciplinary structure provides a unique opportunity to implement OBE across diverse domains of knowledge and practice. The OBE framework is contextualized within the academic vision and disciplinary requirements of the following Schools:

- School of Liberal Arts and Sciences
- School of Design and Innovation
- School of Computer Science and Engineering

- School of Business
- School of Economics and Public Policy
- School of Law
- School of Allied and Healthcare Professions
- School of Film, Media and Creative Arts
- School of Continuing Education and Professional Studies

While each School defines discipline-specific outcomes, all programmes collectively contribute towards the University's Graduate Attributes that emphasize intellectual curiosity, ethical leadership, social responsibility, creativity, innovation, collaboration, communication, digital fluency, and lifelong learning.

Curriculum Design and Outcome Alignment

The University follows a systematic curriculum design process wherein every course is mapped to clearly defined Course Outcomes. These Course Outcomes are subsequently aligned with Programme Outcomes and Graduate Attributes through structured CO–PO mapping mechanisms.

The curriculum incorporates:

- Foundational and disciplinary knowledge
- Interdisciplinary learning opportunities
- Experiential and project-based learning
- Research and innovation components
- Industry engagement and internships
- Community engagement and service learning
- Entrepreneurial and leadership development experiences
- Digital and emerging technology competencies

This integrated approach ensures that students progressively develop the competencies expected at the programme and institutional levels.

Teaching-Learning Processes Supporting OBE

The University recognizes that achievement of outcomes requires effective and innovative pedagogical practices. Faculty members adopt diverse learner-centric approaches including:

Case-based learning; Project-based learning; Design thinking methodologies; Clinical and experiential learning; Simulation exercises; Collaborative & peer learning and Technology-enabled learning environments

These pedagogical approaches encourage active participation, critical inquiry, creativity, collaboration, and application of knowledge in real-world contexts.

Assessment and Outcome Attainment

Assessment practices at the University are designed to measure the achievement of stated learning outcomes through both direct and indirect assessment methods.

Direct assessment mechanisms include:

Internal assessments; Assignments and projects; Laboratory and studio work; Presentations and viva voce examinations; Capstone projects and End-semester examinations

Indirect assessment mechanisms include:

Student feedback; Alumni feedback; Employer feedback; Placement outcomes and Exit surveys

Outcome attainment will be systematically measured using defined attainment methodologies, and the findings will be analysed at course, programme, School, and institutional levels.

Continuous Quality Improvement through OBE

The University's OBE framework focusses on Continuous Quality Improvement (CQI). Outcome attainment data will be regularly reviewed by faculty members, programme committees and the Internal Quality Assurance Cell (IQAC).

The analysis of attainment levels will form the basis for :

Curriculum revisions; Pedagogical enhancements; Assessment reforms and Faculty development initiatives

This evidence-based approach ensures that academic programmes remain dynamic, relevant, and aligned with evolving stakeholder expectations.

Conclusion

Outcome-Based Education is deeply embedded within the University's academic philosophy and quality assurance framework. Through clearly defined outcomes, learner-centric pedagogies, systematic assessment practices, continuous quality improvement mechanisms, and multidisciplinary learning opportunities, the University seeks to nurture graduates who are intellectually competent, professionally capable, ethically grounded, socially responsible, and prepared to contribute meaningfully to a rapidly changing world.

01 Name of the Activity/Event: Blood Donation Camp-2025 at RV University (on the occasion of World Cancer Day)

On 4th February 2025, in observance of World Cancer Day, the NSS and NCC units of RV University collaboratively organized a blood donation camp. Recognizing the importance of raising awareness about cancer and supporting patients in need, the event was designed to encourage voluntary blood donation. This initiative aimed to instill a sense of social responsibility among students and contribute to a noble cause that can directly impact lives.

Outcome

The camp received an overwhelming response, with more than 450 participants coming forward to donate blood. This remarkable turnout showcased the generosity and awareness within the university community. The donated blood will serve as a critical resource for hospitals and healthcare institutions, providing life-saving support to patients suffering from cancer, anemia, and other medical conditions requiring transfusions.

Additionally, the event successfully educated participants about the importance of blood donation, dispelling myths and encouraging a culture of regular contribution. Many first-time donors expressed their willingness to continue donating in the future, emphasizing the lasting impact of such initiatives.

13. Name of the Activity/Events: Kadlekai Parishe-2025

Day-1 7th November 2025: The first day of the Kadlekai Parishe Cleanliness and Awareness Drive 2025 marked the beginning of NSS RVU's three-day community service initiative in collaboration with the Sampige Foundation. This event reflected the core ideologies of NSS — *selfless*

service, social awareness, and environmental responsibility. The main objective was to conduct surveys, identify the use of plastic bags, and promote eco-friendly practices among the local vendors at the Parishe.

Outcome

The survey provided vital insights into the number of stalls still dependent on plastic and those willing to shift toward eco-friendly options. Vendors appreciated the initiative and expressed willingness to adopt paper bags. The activity fostered communication between volunteers and the local community, enhancing social responsibility among students.

Day 1 set the tone for the event, demonstrating teamwork, discipline, and dedication — true to NSS values. Volunteers exhibited initiative and empathy, promoting sustainability and awareness in alignment with the NSS motto, "Not Me, But You."

Day-28th November 2025: The second day of the event emphasized broader awareness activities and community engagement. The day focused on continuing the survey work, expanding outreach for the plastic-free campaign, and initiating health and cleanliness awareness programs. This day strongly embodied NSS's ideology of contributing to public welfare through health, hygiene, and environmental consciousness.

Outcome

The rally attracted attention from both the public and local media. Many stall owners and visitors appreciated the volunteers' efforts and pledged to reduce plastic use. The health awareness activities helped spread knowledge about preventive healthcare and the importance of a clean environment.

The day was dynamic and highly impactful, showcasing the true spirit of NSS volunteerism. The combination of service, awareness, and environmental action reflected the NSS commitment to creating socially conscious citizens dedicated to building a cleaner and healthier society.

Day-3 9th November 2025: The final day of the Kadlekai Parishe drive focused on concluding the awareness and cleanliness activities, ensuring long-term sustainability of the initiatives introduced over the previous two days. The day also reinforced NSS's guiding principle of community-led transformation through active participation and continued service.

Outcome

By the end of the event, a significant number of stalls had completely switched to paper bags. The cleanliness campaigns received positive feedback from both the public and organizers. Volunteers gained practical exposure to NSS's vision of societal contribution and teamwork.

The final day concluded on a heartfelt note, as the volunteers were felicitated by the organizers of Sampige Foundation in recognition of their dedicated service throughout the three-day drive. Each volunteer was honored with a god picture and a shawl, symbolizing appreciation for their efforts. The event ended with smiles, gratitude, and a strong sense of pride, reflecting the true spirit of NSS — "Not Me, But You."

16. Name of the Activity/Events: Appu Kridotsava: A Day of Service, Inclusion, and Sportsmanship

On 9th January 2025, the National Service Scheme (NSS) volunteers of RV University were honored to participate in and support *Appu Kridotsava*, a sports event specially organized for children with disabilities. The event was conducted by Youth for Malleswaram, with the primary objective of promoting inclusivity, confidence, physical activity, and social interaction among specially abled children.

Appu Kridotsava stands as a celebration of ability, courage, and determination, where children are encouraged to showcase their talents through sports and recreational activities. Recognizing the importance of such initiatives in building an inclusive society, the NSS unit of RV University actively extended its support to ensure the smooth execution of the event.

Outcome

The successful completion of Appu Kridotsava was a significant achievement for all stakeholders involved. The event provided specially abled children with an opportunity to engage in sports, express themselves freely, and experience a sense of achievement and belonging.

For the NSS volunteers, the experience went far beyond logistical support. It helped them develop:

- Greater empathy and emotional sensitivity
- Improved communication and teamwork skills
- Practical experience in event management
- A deeper understanding of inclusivity and social responsibility

The smiles, confidence, and excitement displayed by the children served as a powerful reminder that service is not merely about helping others, but about learning, growing, and building meaningful human connections.

The event also strengthened the bond between RV University's NSS unit and community organizations, opening doors for future collaborative service initiatives.

The participation of NSS volunteers from RV University in Appu Kridotsava on 9th January 2025 was a truly meaningful and impactful experience. It embodied the spirit of NSS—*"Not Me, But You"*—by placing community welfare and inclusivity at the forefront.

The day reinforced the belief that every individual, regardless of physical or mental ability, deserves equal opportunities to participate, compete, and celebrate life. Through compassion, teamwork, and dedication, the volunteers contributed to creating a supportive and joyful environment for the children.

17. Name of the Activity/Events: Clean City Drive at Dasarahalli

Urban cleanliness and proper utilization of public spaces play a vital role in ensuring healthy and dignified living conditions for citizens. Many areas within cities gradually turn into dumping grounds due to neglect, lack of awareness, and improper waste management. Addressing such issues requires active community participation and youth involvement.

Outcome

The Clean City Drive resulted in a visible and meaningful transformation of the area. A space once associated with discomfort and neglect was successfully converted into a walkable, hygienic, and dignified public pathway.

The initiative delivered several positive outcomes:

- Improved cleanliness and sanitation of the locality
- Restoration of a usable public walking space
- Increased awareness about civic responsibility among residents
- Strengthened collaboration between students, NGOs, and civic authorities

For the NSS volunteers, the drive served as an enriching learning experience, helping them understand the importance of grassroots-level social work, environmental responsibility, and community engagement.

The Clean City Drive at Dasarahalli on 11th January 2026 stood as a strong example of how collective effort and youth leadership can bring real change to society. The transformation from a dumping ground to a walking ground symbolized the power of service-driven action.

Through discipline, teamwork, and social commitment, the NSS volunteers of RV University demonstrated the true spirit of community service. The initiative reinforced the NSS motto, *"Not Me, But You,"* and inspired a renewed sense of responsibility towards maintaining clean and sustainable urban spaces.

This drive not only improved the physical environment but also instilled pride, dignity, and hope within the community, proving that meaningful change begins when young minds step forward to serve society.

26. Name of the Activity/Events: Good Deeds Day Fest - Community Engagement

Community engagement and social awareness are central to the values of the National Service Scheme (NSS). In collaboration with The Inclusion Movement, NSS volunteers participated in the Good Deeds Day Fest - a vibrant community engagement festival designed to promote social responsibility, creativity, and inclusive participation. The event brought together NGOs, volunteers, corporates, colleges, and families for a shared experience of meaningful, hands-on social impact.

Outcome

The Good Deeds Day Fest provided NSS volunteers with a multifaceted experience that combined skill-building, social awareness, and community connection. Participation in inclusive workshops such as Braille and sign language broadened their understanding of disability and accessibility, while activities like seed ball making and Seva Sandwich reinforced values of environmental and social responsibility. The event strengthened volunteers' commitment to active citizenship and community service.

The Good Deeds Day Fest exemplified the NSS spirit of service through joyful and meaningful engagement. By participating in a diverse range of activities alongside NGOs, families, and fellow volunteers, NSS members demonstrated that doing good can be both impactful and celebratory. Such experiences continue to nurture empathy, inclusivity, and a sense of shared responsibility among volunteers.

Date: 19th April 2026

Venue: Bangalore Creative Circus

Number of NSS Volunteers: 19

27. Name of the Activity/Events: Valedictory and Badging Ceremony of NSS Core Committee

Leadership transition and volunteer recognition are important aspects of the National Service Scheme (NSS). The NSS Unit of RV University organized the Valedictory and Badging Ceremony to acknowledge the contributions of the outgoing core committee, distribute NSS certificates to eligible volunteers, and formally induct the newly selected core committee and department heads for the upcoming academic year.

Outcome

The Valedictory and Badging Ceremony successfully recognized the efforts of NSS volunteers and ensured a smooth transition of leadership within the unit. The distribution of certificates motivated volunteers to continue contributing towards social service activities, while the badging of the new core committee marked the beginning of a new chapter for the NSS Unit. The event strengthened the spirit of teamwork, leadership, and commitment among the volunteers.

The Valedictory and Badging Ceremony was a memorable occasion that celebrated the dedication and achievements of NSS volunteers while welcoming a new generation of student leaders. The event reflected the values of service, leadership, and teamwork that define NSS and inspired volunteers to continue working towards the betterment of society under the motto, "Not Me, But You."

29. **Name of the Activity/Events:** Awareness and Wall Beautification Drive

Creating a safe and respectful environment for children is an important aspect of community service. In collaboration with Sampige Foundation, the NSS Unit of RV University conducted an Awareness and Wall Beautification Drive at Jeevandeep Makkala Kendra. The initiative aimed to spread awareness among the public regarding the privacy and safety of the children residing at the center while also improving the appearance of the surrounding walls through meaningful artwork and messages.

Outcome

The initiative successfully transformed the boundary walls into informative and visually appealing spaces that communicate important messages to the public. The painted messages help promote respect for the privacy and well-being of the children while discouraging activities that may disturb the peaceful environment of the center.

The drive also provided volunteers with an opportunity to contribute meaningfully to the community through creative engagement and public awareness.

Name of the Activity/ Event: GREENING WASTELANDS OF INDIA SEMINAR
Date: 11 October 2025
Venue: RV University Bangalore
Organised by: 3/3 COY NCC RVU, Bangalore

Objective of the Seminar

The seminar on "Greening Wastelands of India" aimed to spread awareness about the importance of restoring and utilizing wastelands through sustainable and eco-friendly methods. The main goal was to help cadets understand how unused or barren lands can be turned into green, productive spaces that contribute to the environment and the nation's development.

About the Awareness Program

The seminar served as an awareness program where officers and environmental experts shared valuable insights about afforestation, soil conservation, and the need for youth involvement in environmental protection. Through interactive discussions and presentations, cadets learned how small, consistent efforts—like planting trees or maintaining green spaces—can make a big difference in improving our surroundings. The session encouraged everyone to think about their own role in making India greener and more sustainable.

What Cadets Inculcated

The seminar left a lasting impression on the cadets. It helped them develop a deeper sense of responsibility towards the environment and the community. They learned the value of teamwork, discipline, and collective action in protecting nature. The session also inspired them to take part in

plantation drives, spread environmental awareness in their localities, and contribute to transforming wastelands into thriving green zones.

Conclusion:

The seminar on "Greening Wastelands of India" was a meaningful and eye-opening experience for all NCC cadets. It not only increased awareness about environmental conservation but also motivated the cadets to take active steps towards protecting and nurturing nature. The session reminded everyone that even small contributions—like planting a single tree or encouraging others to go green—can create a lasting positive impact. Overall, the seminar successfully inspired a sense of environmental responsibility and national duty among the cadets, aligning with the true spirit of the NCC.

Name of the Activity/ Event: REPORT ON CELEBRATION OF CONSTITUTION DAY
Date: 26 November 2025
Venue: RV University, Bengaluru
Organized by: NCC Unit & NSS Unit, RV University

Introduction

As per the directions issued by the University Grants Commission (UGC) regarding the observance of *Constitution Day* on 26th November 2025, RV University organized a series of activities to highlight the significance of the Constitution of India and to reaffirm the values enshrined in it.

Activities Conducted

1. Reading of the Preamble

The event commenced with the collective reading of the *Preamble to the Constitution of India*.
To promote linguistic inclusivity and wider understanding:

- The Preamble was first read in English, the original constitutional language.
- It was then read in Kannada, enabling regional language participation.

Faculty members, NCC cadets, NSS volunteers, and students actively took part in the session.

2. Awareness Session

A brief session was conducted highlighting:

- The history and significance of Constitution Day
- The values and principles enshrined in the Constitution
- Fundamental Rights, Fundamental Duties, and Democratic Ideals

The session helped students understand the importance of constitutional responsibilities as citizens.

3. Participation in Online Quiz

In line with UGC guidelines, students were encouraged to participate in the *Online Quiz on Constitutional Democracy* hosted by MyGov.in.

A total of 23 students successfully completed the online quiz and received participation certificates.

Compliance With UGC Guidelines

The following requirements from the UGC letter were fully met:

- Reading of the Preamble
- Reading in multiple languages (English & Kannada)
- Conduct of awareness session/programme
- Participation in MyGov Online Quiz
- Photographs & documentation maintained

Thus, the university has complied with all the points mentioned in the UGC communication dated 24 November 2025.

Conclusion

RV University observed Constitution Day in a meaningful and impactful manner.

The activities conducted helped in reiterating the constitutional values among students and promoted awareness of their duties as responsible citizens.

Name of the Activity/ Event: Report On SSB Training for NCC Cadets
Date: 08/01/2026 to 10/01/2026
Venue: SSB Sure Shot Academy Bengaluru
Organized by: National Cadet Corps (NCC)
Categories: OIR Test, PPDT, Group Discussion (GD), GTO Training, Psychology Training & Tests, Mock Interviews
Participants: 22 Cadets

Objective:

The program focuses on mastering Stage-1 screening via OIR and PPDT practice to ensure candidates successfully enter the testing phase. It aims to educate aspirants on the 15 Officer-Like Qualities while teaching them how to project these traits naturally during various tasks.

Activities Conducted:

- **Stage-1 Screening (OIR & PPDT)**

The capsule begins with **Officer Intelligence Rating (OIR)** practice, where candidates tackle verbal and non-verbal reasoning sets under tight time constraints to establish their basic cognitive level. This is followed by the **Picture Perception and Discussion Test (PPDT)**, where a hazy image is shown for 30 seconds. Candidates must write a story, narrate it individually, and then engage in a group discussion to reach a consensus. The objective here is to train candidates in clear communication and the ability to work toward a common goal despite differing viewpoints.

- **Psychological Testing (TAT, WAT, SRT, SD)**

This phase involves a deep dive into the candidate's subconscious through four specific tools. In the **Thematic Apperception Test (TAT)**, candidates write stories based on 11 pictures plus one blank slide to reveal their internal thought patterns. The **Word Association Test (WAT)** requires writing the first thought that comes to mind for 60 consecutive words, while the **Situation Reaction Test (SRT)** presents 60 everyday life challenges to assess practical

common sense. Finally, the **Self-Description (SD)** is refined to ensure the candidate's self-perception aligns with the traits projected in the other tests.

- **Group Testing Office (GTO) Activities**

The GTO tasks are simulated through both indoor and outdoor exercises. **Group Discussions (GD)** and the **Group Planning Exercise (GPE)** test logical reasoning and social influence. For the outdoor portion, candidates are taught the "logic of obstacles" used in the **Progressive Group Task (PGT)** and **Command Task**, focusing on the use of planks, ropes, and bellies to cross "out-of-bounds" areas. The capsule emphasizes that these tasks are less about physical strength and more about your ability to lead, cooperate, and solve spatial problems under pressure.

- **Personal Interview and PIQ Analysis**

A significant portion of the capsule is dedicated to the Personal Information Questionnaire (PIQ), which serves as the "map" for the Personal Interview. Instructors conduct mock interviews to assess a candidate's clarity regarding their life choices, family background, academic record, and current affairs. The focus is on identifying inconsistencies between what a candidate says and what they have written, ensuring that the aspirant can hold a confident, truthful, and logical conversation with the Interviewing Officer. Final Feedback and Conference Orientation

- **Final Feedback and Conference Orientation**

The program concludes with a simulated Conference, where candidates experience the final board meeting setup. This is followed by a personalized feedback session where the assessors highlight specific Officer-Like Qualities (OLQs) that were missing or underdeveloped. This allows the candidate to walk away with a clear "roadmap" for self-improvement, focusing on specific traits like social adaptability, stamina, or speed of decision-making before they appear for the actual SSB.

Name of the Activity/ Event: REPORT ON NCC B CERTIFICATE EXAMINATION – 2026
Date: 14.03.2026 & 15.03.2026
Venue: Army Public School (APS), Bengaluru Organised by: National Cadet Corps (NCC)
Number of Participants: 17, 10 SD & 07 SW (RVU Cadets)
ANO: Lt Gayathri V, RVU

Objective:

The NCC 'B' Certificate Examination for cadets of 6 KAR Battalion was conducted successfully at Army Public School (APS), Bengaluru. The examination was carried out over two days, comprising practical assessments on the first day followed by the theory examination on the second day. The event aimed to evaluate the cadets' proficiency in drill, fieldcraft, weapon handling, communication, and theoretical knowledge of NCC training.

Day 1: Practical Examination (14th March 2026)
The practical examination assessed cadets on various core NCC competencies. The activities conducted were as follows:

1. **Drill Test (DST):** Cadets were evaluated on their drill skills including commands, marching, saluting, and overall discipline. Emphasis was placed on synchronization, posture, and command execution.
2. **Map Reading:** Cadets demonstrated their ability to interpret maps, identify conventional signs, calculate distances, and determine directions using bearings and grid references.

3. **Radio and Communication:** This test assessed cadets' knowledge of communication procedures, including message transmission, use of radio sets, and understanding of basic communication protocols.
4. **Weapon Training:** Cadets were examined on handling and knowledge of the .22 mm Mk-IV rifle, including parts identification, safety precautions, loading/unloading procedures, and aiming techniques.
5. **Field Craft and Battle Craft (JDFS):** Cadets performed various field craft techniques such as camouflage, concealment, movement in field conditions, and section-level battle drills under simulated conditions. The practical examination was conducted in a disciplined manner under the supervision of NCC staff, ensuring proper assessment of each cadet.

Day 2: Theory Examination (15th March 2026)

The theory examination was conducted to evaluate cadets' understanding of NCC subjects, including drill, weapon training, map reading, field craft, communication, and general NCC knowledge.

Cadets appeared for the written examination in a well-organized environment, adhering strictly to examination protocols and discipline.

Conclusion:

The NCC 'B' Certificate Examination was conducted smoothly and successfully over the two days. It provided cadets with an opportunity to demonstrate their practical skills and theoretical knowledge acquired during NCC training. The examination also reinforced discipline, confidence, and teamwork among the cadets.

Lt Gayathri V was assigned invigilation duty for the NCC 'B' Certificate Examination held on 14th and 15th March 2026 at Army Public School, Bengaluru.

ORGANISED BY: 6 KAR BN NCC
CATEGORIES: DRILL, CULTURALS, GOH, TALENT HUNT, H&H, JD&FS, MR, SPORTS.
PARTICIPANTS: 22 CADETS & ANO- LT GAYATHRI V (CAMP TRAING OFFICER)

OBJECTIVE:

The objective of the Combined Annual Training Camp (CATC) held at Hoskote was to develop discipline, leadership qualities, teamwork, physical fitness, and patriotic spirit among NCC cadets through various activities. The camp also aimed to enhance confidence, coordination, and social interaction while promoting the values of unity and national integration.

CAMP ARRIVAL

The camp began with the arrival on 26th April 2026 and registration of cadets. After allotment of accommodation, cadets were briefed about camp discipline, timetable, rules, and responsibilities. An introductory session was conducted to encourage interaction among cadets from different institutions. Evening drill sessions focused on basic commands and squad formation.

PT MORNING AND DRILL TRAINING

Every day began with energetic Physical Training sessions conducted by instructors and senior cadets. The PT sessions helped improve stamina, endurance, flexibility, and overall physical fitness. Drill training was one of the most important parts of the CATC camp. Cadets underwent rigorous practice sessions to improve discipline, coordination, alertness, and command-following ability.

SPORTS COMPETITIONS

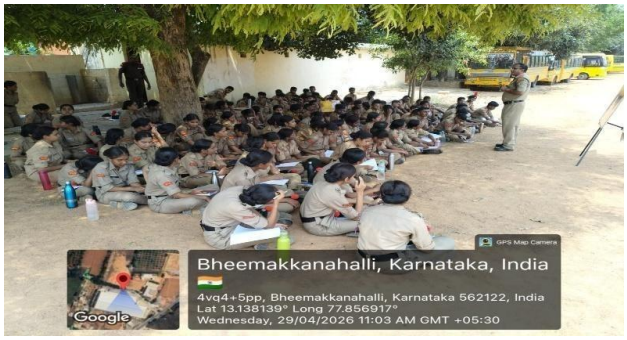

Sports activities officially commenced with great enthusiasm. Cadets participated in Throwball matches where teamwork, communication, and sportsmanship were displayed. Tug of War preliminary rounds created excitement and unity among teams. Volleyball practices were also conducted to prepare cadets for inter-company competitions.

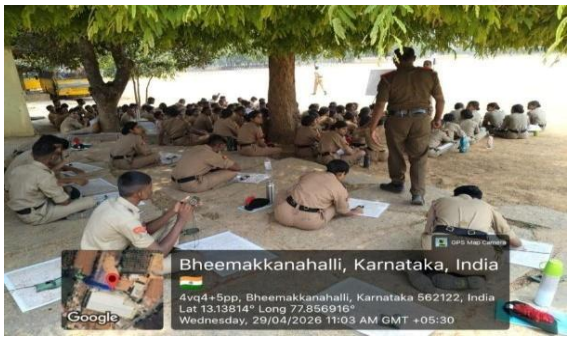

LEADERSHIP AND TEAM BUILDING SESSIONS

Leadership-based activities and group discussions were organized to improve confidence and decision-making skills among cadets. GOH practice continued with more focus on perfection and coordination. Cadets participated in team-building exercises that enhanced cooperation and discipline. Cultural rehearsals for dance, singing, and skits began in the evening.

CULTURAL EVENTS

Cultural events were conducted to encourage creativity and self-expression among cadets. Participants performed group dances, patriotic songs, skits, mime shows, and solo performances. The cultural evening created a joyful atmosphere and helped cadets build confidence while showcasing their talents. Judges appreciated the enthusiasm and creativity displayed during the performances.

CONCLUSION

The CATC-I Camp conducted from 26/04/2026 to 05/05/2026 at New Horizon School, Bheemakkanahalli, Hoskote, under the organization of **6 KAR BN NCC**, was completed successfully with active participation and enthusiasm from all cadets. The camp provided an excellent platform for cadets to enhance their discipline, leadership qualities, physical fitness, teamwork, and self-confidence through various training activities and competitions.

Activities such as Drill, GOH practice, Health & Hygiene, JD&FS, Map Reading, Sports, Cultural Events, and Talent Hunt helped cadets improve their practical knowledge, coordination, communication skills, and overall personality development. The camp also promoted unity, cooperation, patriotism, and national integration among cadets from different institutions.

The well-organized training schedule, sports activities, cultural programmes, and hygienic food arrangements contributed to the overall success of the camp. Cadets gained valuable experiences, developed new friendships, and learned the importance of discipline, responsibility, and teamwork. The camp concluded on a positive and memorable note, leaving all cadets motivated and better prepared for future NCC activities and responsibilities.

Name of the Activity/ Event: REPORT ON AWARENESS SESSION BY INDIAN ARMY
Date: 09/05/2026
Venue: ET Seminar Hall, RV College of Engineering
Organized By: NCC RVCE – 2/2 Coy, 6 Karnataka Battalion NCC
Topic: *"From NCC to Nation: Leadership Lessons from the Indian Army"*

As part of the Indian Army's initiative to strengthen civil–military understanding and inspire the youth, RV College of Engineering in coordination with NCC 6 KAR BN organized an awareness session on 09/05/2026 at the ET Seminar Hall, RVCE Campus.

The session was conducted by **Major Vishesh Aditya Singh**, Infantry Officer, Indian Army from **4/8 Gorkha Rifles**. The programme was organized following the proposal received from the Indian Army to educate students and faculty members about the significance, impact, and conduct of **Operation Sindoor**.

The session titled **"From NCC to Nation: Leadership Lessons from the Indian Army"** focused on leadership qualities, discipline, patriotism, and the role of the Armed Forces in safeguarding national interests. During the session, Major Vishesh Aditya Singh explained in detail about **Operation Sindoor**, including how the operation was strategically planned and successfully executed by the Indian Army. He also briefed the participants about the operational targets, challenges faced during the mission, and the efficiency, capability, and preparedness of the Indian Army in handling critical operations.

The programme witnessed active participation from NCC cadets of **RV University (RVU)** and **RV College of Engineering (RVCE)**. The session was attended by **Lt Gayathri V**, ANO RVU,

Lt Dr Ajay KM, ANO RVCE, and **Mr Motaiah KA**, Drill Instructor.
The lecture also highlighted the importance of youth participation in nation-building and motivated the students to develop leadership qualities, responsibility, and commitment towards society and the nation. The interactive session provided an opportunity for students and NCC cadets to directly engage with an Indian Army officer and gain insights into military values, service, and career opportunities in the Armed Forces.

The programme was conducted successfully with enthusiastic participation from students, faculty members, NCC cadets, and staff members. The session proved to be highly informative, inspiring, and beneficial for all attendees.
The event concluded with a vote of thanks expressing gratitude to **Major Vishesh Aditya Singh** and the Indian Army for conducting the impactful awareness session at RVCE.

Name of the Activity/ Event: REPORT ON TSC INSTITUTIONAL LEVEL TEST
Date: 24/05/2026
Venue: RVCE – RVU Campus
Time: 8:30 AM to 2:00 PM

The NCC 6 KAR BN successfully conducted the **TSC Institutional Level Test** on 24/05/2026 at the RVCE – RVU Campus. The event witnessed enthusiastic participation from NCC cadets representing different institutions.
A total of **110 cadets** participated in the programme along with **3 ANOs, 1 CTO, 2 PI Staffs, and 3 ESMs**, who supervised and coordinated the smooth conduct of the event.

As part of the testing process, **Lt Gayathri V** was assigned as the **In- charge for the Health and Hygiene Subject**, wherein **26 cadets** appeared for the test. The cadets were assessed on their knowledge and understanding of health, sanitation, hygiene practices, and first aid awareness.
Apart from the Health and Hygiene test, the programme also included **Judging Distance and Field Signals (JDFS)** and **Map Reading Tests**. Practical sessions were conducted for the cadets to improve their field skills, observation techniques, navigation abilities, and overall understanding of TSC-related subjects.

The event was conducted successfully with active involvement and cooperation from all ANOs, PI Staffs, ESMs, and cadets. The sessions proved to be highly beneficial in enhancing the cadets' practical knowledge, confidence, and preparedness for future TSC competitions and training activities.
The programme concluded at 2:00 PM with appreciation for all the participants and staff members who contributed towards the successful conduct of the Institutional Level Test.

Name of the Activity/ Event: REPORT ON NCC AWARENESS SESSION
Topic: World Environment Day 2026 – Climate Action & Sustainable Living
Date: 24/05/2026
Venue: RVCE IEEE Classroom
Participants: 110 Cadets

A session on the topic "World Environment Day 2026 – Climate Action & Sustainable Living" was conducted on 24/05/2026 at the RVCE IEEE Classroom for NCC cadets from various institutions. The session witnessed active participation from a total strength of 110 cadets. In addition to the cadets, several ANOs, CTOs, and PI Staffs also took part in the programme.
The session was initiated by Lt Gayathri V and Lt Dr Ajay KM, who welcomed the gathering and provided a brief introduction about the importance of environmental awareness, climate action, and sustainable practices in today's world.
Following the introduction, the session was carried forward by **CDT Tanisha** and **CDT Rashmi**, who delivered an informative and interactive presentation on various environmental topics. The session covered important aspects such as the role of youth in climate action, green campus initiatives, and simple eco-friendly practices that can be adopted in daily life.

The speakers emphasized the importance of youth participation in sustainability campaigns, plantation drives, waste management, and awareness programmes. They also highlighted the need for adopting eco-friendly habits such as reducing plastic usage, conserving water and electricity, and promoting recycling practices.
The programme was highly informative and motivated the cadets to contribute actively towards environmental conservation and sustainable living. The participants appreciated the efforts taken by the presenters and engaged enthusiastically throughout the session.

The recognition highlights excellence in creative storytelling, research, and filmmaking, with the project being appreciated for its concept, execution, and overall impact.

Acted as Reviewer Faculty Members from RV University for Academic and Research Evaluation Activities in both National and International Journals.

1. Dr. C.S.K. Raju, Assistant Professor, SoCSE, was recognized for his scholarly service as a reviewer for the journal *Modern Physics Letters B* published by World Scientific. He reviewed a research

article for the journal, contributing to the peer-review process and supporting the dissemination of high-quality scientific research.

2. Dr. Rammohan Bhanumurthy, Professor, SoCSE, received professional recognition for serving as a reviewer for the *International Journal of Computational Methods*. He reviewed the manuscript titled "Three-Step Modulus-Based Gauss-Seidel Iteration Method for Linear Complementarity Problems" (Ref. No. IJCM-D-25-00097).
3. Dr. Rammohan Bhanumurthy, Professor, SoCSE, was recognized for his contribution as a reviewer for the *International Journal of Computational Methods*. He reviewed the manuscript titled "A Hybrid Legendre Basis Functions/Taylor Series Expansion-Based Variational Pseudo-Spectral Method for Bending Analysis of Three-Phase PM/rGO/CF Cylindrical Shells" (Ref. No. IJCM-D-25-00100).
4. Dr. Rammohan Bhanumurthy, Professor, SoCSE, was recognized for his scholarly service as a reviewer for the *International Journal of Computational Methods*. He reviewed the manuscript titled "Multi-Channel Quantum Convolutional Diffusion Kernel Attention Neural Network-Driven Quantum Cloud Computing for Multi-Modal IoT Data Fusion and Analysis" (Ref. No. IJCM-D-25-00116).
5. Prof. Chandramouleeswaran Sankaran, Professor, SoCSE, was recognized for reviewing four research papers for the Fifth International Conference on Emerging Techniques in Computational Intelligence (ICETCI 2025), held at Mahindra University, Hyderabad, from 21–23 August 2025.
6. Dr. Shyam Mohan J. S., Associate Professor, SoCSE, received academic recognition for serving as a reviewer of three research papers for the International Conference ICAAI 2025.
7. Dr. Rashmi S., Associate Professor, SoCSE, received professional recognition for serving as a reviewer for four manuscripts published in reputed journals, including one manuscript for *BMC Oral Health*, two manuscripts for *Scientific Reports*, and one manuscript for *Discover Applied Science*.
8. Dr. Shyam Mohan J. S., Associate Professor, SoCSE, received professional recognition for serving as a reviewer for two research papers in the *International Research Journal of Multidisciplinary Technovation* (Scopus Indexed).
9. Dr. Shyam Mohan J. S., Associate Professor, SoCSE, received academic recognition for serving as a reviewer for research papers submitted to the International Conference GIEST 2025.
10. Dr. Shyam Mohan J. S., Associate Professor, SoCSE, received academic recognition for serving as a reviewer for a research paper submitted to the International Conference on Engineering and Technology for Future Sustainability 2025.
11. Dr. Shyam Mohan J. S., Associate Professor, SoCSE, received professional recognition for serving as a reviewer for the *Journal of Engineering Research and Sciences*.
12. Dr. Rammohan Bhanumurthy, Professor, SoCSE, received professional recognition for serving as a reviewer for the *International Journal of Computational Methods*.
13. Mrs. Aparna R, Assistant Professor, SoCSE, served as a reviewer for research papers presented at the 9th International Conference on Computational Systems and Information Technology for Sustainable Solutions (CSITSS).
14. Dr. K. Thenmozhi, Assistant Professor, SOCSE and Dr. Basavaraj Patil, Assistant Professor, SoCSE, served as a reviewer for the 3rd IEEE International Conference on Networks, Multimedia and Information Technology (NMITCON 2025), organized by Nitte Meenakshi Institute of Technology, Bengaluru, on 1–2 August 2025.
15. Dr. Shyam Mohan J. S., Associate Professor, SOCSE, actively contributed as a reviewer for multiple academic platforms, including IETACS 2025 (27/08/2025), ICAAI 2025 (17/09/2025), and ICETEFS 2025 (23/09/2025), where he reviewed two papers, as well as for the International

Research Journal of Multidisciplinary Technovation, reviewing articles including "Comprehensive Review of Machine Learning Applications: Network Security, Healthcare and Beyond" during September 2025.

16. Dr. Sarasvathi V., Associate Professor, SOCSE, served as a reviewer for papers at the 4th International Conference on Data, Decision and Systems (ICDDS 2025), held at the Indian Institute of Information Technology, Dharwad, India, on 01/09/2025, contributing to the academic review process.
17. Dr. K. Thenmozhi, SoCSE, served as a reviewer for the IEEE International Conference on Communication, Computer, and Information Technology (IC3IT-2025) on 23/09/2025.
18. Dr. Rashmi S., Professor, reviewed for a Springer Nature journal on 05/09/2025
19. Dr. Rammohan Bhanumurthy, Professor, contributed as a reviewer for the International Journal of Computational Methods on 24/09/2025,
20. Dr. Sindhu Vasanth B., Assistant Professor, SOLAS, was invited as a panellist at the LEAF Educational Conference on 06/09/2025, held at the Karnataka Science and Technology Academy, Yelahanka, Bengaluru,
21. Dr. Anuradha Chatterjee, Pro-Vice Chancellor, Professor and Dean, SODI, served as a panellist at the Mastersoft Mumbai Dialog held on 15/09/2025 and 16/09/2025 in Mumbai, India, contributing to academic and institutional discussions.
22. Dr. Vismaya A., Assistant Professor, SOLAS, served as a peer reviewer for the research article titled "Mapping Gray Matter Changes in Anorexia Nervosa: A Functional Connectivity Network Approach,"
23. Dr. Shyam Mohan J. S., Associate Professor (SOCSE), served as a reviewer for multiple international academic platforms, including COROLLA 2025, IETACS 2025 (reviewing two papers), ICAICS 2025, and a referred journal (JSEA) in 2025, demonstrating his active contribution to scholarly peer review.
24. Dr. Basavaraj Patil, Assistant Professor (SOCSE), contributed as a reviewer at the 4th IEEE International Conference NKCon25 (27–28 Sept 2025, online), served as reviewer and judge for the IEEE Computer Society 2025 Fall Awards Cycle (19 Oct 2025), and reviewed for the EURASIP Journal on Wireless Communications and Networking (Springer Nature) on 22 Oct 2025.
25. Dr. Shyam Mohan J S, Associate Professor, SoCSE, served as a reviewer for IETACS 2025 on 6 November 2025 and for the International Conference COROLLA 2025 on 27 October 2025.
26. Dr. Vismaya A, Assistant Professor, SoLAS, reviewed a research article titled "A Systematic Review on the Psychological Factors Behind Vaccine Hesitancy in the COVID-19 Era" for the journal Frontiers in Public Health.
27. Dr. Shyam Mohan J S, Associate Professor, SoCSE, served as a panel reviewer for the Prototype Evaluation of the SoCSE AI Poster Presentation Competition held on 3rd November 2025.
28. Dr. Rammohan Bhanumurthy, Professor, SoCSE, served as a reviewer for the journal International Journal of Computational Methods for the paper titled "Effect of Ballistic Impact on Stiffened Cylindrical Fuel Tanks Made of Kevlar/CFRP/GFRP/Kenaf Composite Laminates."
29. Dr. Shyam Mohan J S, Associate Professor, SoCSE, reviewed a research paper for the journal *Ships and Offshore Structures* (Taylor & Francis) on 2nd December 2025 in online mode.
30. Dr. Shyam Mohan J. S. served as a Reviewer for the Thirteenth International Conference of the College of Science and the Second International Conference on Computer Science (ICCSSA 2026) on 05/0l/2026, hosted by Mustansiriyah University, Baghdad, Iraq.
31. Dr. Shweta Panchal was invited as a reviewer for international peer-reviewed journals, including Bioprotocol and Frontiers in Plant Science, contributing expert evaluations through online reviews conducted on 6, 8, and 15 January 2026.

32. Dr. Arindam Mitra was invited to serve as a reviewer for RSC Medicinal Chemistry and as an editor for PLoS One, both Q1 international peer-reviewed journals, contributing scholarly expertise through reviews and editorial responsibilities on 10 and 20 January 2026.
33. Dr. Arindam Mitra served as an Editor for the Canadian Journal of Infectious Diseases and Medical Microbiology, a Q2 international journal, on 01/12/2025, contributing to editorial oversight and scholarly quality assurance.
34. Mr. Irappa Alagur, Assistant Professor, SoBSSS, participated in the NCASMP 2026 International Conference held on 4th February 2026 at Dayanand College of Engineering, Department of Management Studies.
35. Dr. Shyam Mohan J S served as a Reviewer for the International Conference (ISSF 2026), reviewing 14 research papers on 11 February 2026 at Sri Chandrasekhar Endra Saraswathi Viswa Mahavidyalaya (SCSVMV), Enathur, Kanchipuram – 631 561.
36. Dr. Shyam Mohan J S served as a Reviewer for the 13th International Conference of the College of Science and the Second for Computer Science (ICCSSA) on 18 February 2026 at Mustansiriya University, College of Science, Iraq.
37. Dr. Rammohan Bhanumurthy acted as a reviewer for a journal paper in the International Journal of Computational Methods (IJCM) on 23 February 2026.
38. Dr. Dattatreya P. Mankame served as a reviewer for a journal paper in the The Journal of Supercomputing on 4 February 2026.
39. Dr. Shyam Mohan J S served as a reviewer for the Intelligent Computing and Automation for Sustainable Solutions (ICASS 2026) conference held on 12–13 February 2026 at the School of Engineering, Manav Rachna University
40. Dr. K. Thenmozhi served as a reviewer for an article in the Asian Pacific Journal of Cancer Prevention (APJCP) on 2 January 2026 & 18 February 2026
41. Dr. V. Balaji served as a reviewer for the IEEE International Conference on Computing, Communication, Control and Cyber-Physical Systems (I5CPS-2026), contributing to the peer-review process and ensuring the quality of submitted research papers.
42. Dr. V. Balaji served as a reviewer for the IEEE International Conference on Signal Processing, Computation, Electronics, Power and Telecommunication (iConSCEPT 2025) held at the National Institute of Technology Puducherry, contributing to the evaluation and quality assurance of research submissions.
43. Dr. Sheela S served as a reviewer for the 9th International Conference on Computational Systems and Information Technology for Sustainable Solutions (CSITSS 2025), organized by RV College of Engineering and technically co-sponsored by the IEEE Bangalore Section, held during November 20–22, 2025, contributing to the evaluation of research papers
44. Dr. Sheela S served as a reviewer for the 4th IEEE International Conference on Intelligent and Innovative Technologies in Computing, Electrical and Electronics, organized by the Departments of Electronics and Communication Engineering and Electrical and Electronics Engineering at BNMIT, Bengaluru, during 22–23 January 2026, contributing to the evaluation of research papers.
45. Dr. Madderla Chiranjeevi served as a reviewer for the 1st International Conference on Sustainable Energy and AI Technologies for Next Generation Applications (SEATNGA 2026), contributing to the evaluation of research papers and supporting the advancement of innovative technologies.
46. Dr. Shyam Mohan J. S and Dr. Rammohan Bahnumurthy served as a reviewer for the International Journal of Computational Methods (Wiley)
47. Dr. Shyam Mohan J. S. served as a reviewer for the Health Hackathon 2026 conducted by VIT, Bhopal.

48. Dr. K. Thenmozhi served as a reviewer for the Asian Pacific Journal of Cancer Prevention, a Scopus-indexed journal.
49. Prof. H. Dhanalakshmi served as a reviewer for a research article in a Crossref-indexed journal on 25/02/2026 for the Indian Journal of Allied Health Sciences (IJAHS).
50. Prof. (Dr.) Arindam Mitra acted as a reviewer for a research article in a Scopus-indexed research journal, Access Microbiology (Open Research Platform), on 19/03/2026.
51. Prof. (Dr.) Arindam Mitra served as a reviewer for a research article in the Q1 journal Frontiers in Cellular and Infection Microbiology (Impact Factor: 4.8) on 23/03/2026.
52. Prof. Mariya Shaji served as a judge for oral presentations in the student category at the 1st National event held on 07/03/2026 at Acharya Institute of Allied Health Sciences
53. Dr. Rammohan Bhanumurhty served as a reviewer for the Journal of Food Composition and Analysis, published by Elsevier.
54. Dr. Rammohan Bhanumurthy served as a reviewer for IJCM, published by Wiley, contributing to the peer-review process by evaluating research manuscripts and supporting the journal.
55. Dr. Shyam Mohan J S, School of Sciences, Christ University, Delhi, served as a reviewer for the 2026 International Conference on NextGen Data Science and Analytics (ICNDSA 2026).
56. Dr. Mahadev Patil served as a reviewer for the 2026 International Conference on Applied Artificial Intelligence (2AI), contributing to the evaluation of research papers.
57. Dr. G. Vennira Selvi served as a reviewer for the 2026 IEEE 6th International Conference on Computing, Power, and Communication Technologies (IC2PCT-2026).
58. Dr. Arindam Mitra served as a reviewer for the Q1 journal Frontiers in Cellular and Infection Microbiology on 03/04/2026 and Scopus-indexed journal Vacunas (CiteScore 3.7) on 07/04/2026
59. Dr. Shyam Mohan J S served as a reviewer for a paper in the journal Multimedia Tools and Applications.

61. Dr. Sangeeta Bhanja Chaudhuri served as a reviewer for an article in the Applied Artificial Intelligence Journal (SCIE), published by Taylor & Francis Ltd., UK.
62. Dr. Arindam Mitra served as a reviewer for a Q1 journal, *Frontiers in Cellular and Infection Microbiology* (IF: 4.8), on 10 May 2026

Students Achievements

1. Ms. Gayathri V. Shenoy and Mr. Satvik M. Sanikop, first-year students of the BCA (Hons.) Program, SoCSE, received recognition by securing paid internship opportunities at Microsoft.
2. BA 3rd and 5th semester students—Ravi Kiran Erra and Ashwin Suhail (5th Sem), along with Debmalya Chakraborty (3rd Sem)—secured 1st place in the “Case Crack” case study analysis competition organized by Sathyabama Institute of Science and Technology, Chennai, demonstrating strong analytical and problem-solving skills.
3. Ms. Mansi Jasani, 4th year B.Sc. (Hons) Environmental Science student, had her abstract titled “Roots of Domination: Understanding Allelopathy in Invasive Species,” submitted as part of an RVU research-based course, selected for presentation at the Student Undergraduate Research Conference (SURC) 2025 on 07–08 December 2025 at Azim Premji University, Bengaluru, under the guidance of Dr. Amit John Kurien, Assistant Professor, SOLAS.
4. SoCSE students Yashas B R, Adil Ahmed, Tharun M, Aditi Singh, Vishal Shekhar, and Thejas Math, were shortlisted among the top 7 finalists out of 250+ teams at the SIH Hackathon 2025,

held at LNCT, Bhopal on 8th–9th December 2025, for their solution addressing livestock monitoring (MRL and AMU) under the Ministry of Animal Husbandry problem statement.

5. 5th Semester B.Tech students Shwetha K S, Vikas, and Arya M A, received the Best Paper Award for *"Leveraging AI for Early Detection and Enhanced Healthcare"* at the IEEE ICETEG 2025 held at JSS Technical Institutions Campus, University of Mysore,
6. Team SNYPTR—Prarthana, Pranav, Puneetha, and Lalith—mentored by Mr. Chidananda R S, Assistant Professor, SOCSE, secured a Top 10 business idea position and won ₹50,000 at FKCCI Manthan 2025, organized by the Federation of Karnataka Chambers of Commerce & Industry (Govt. of Karnataka). Competing against 2000+ participants and 570 teams, they advanced through six months and three pitching rounds with their AI-based shooting training module.
7. Team Comfy Cub—Bindu R and Yutisha E—mentored by Mr. Chidhanand R S, Assistant Professor, SOCSE, secured a Top 3 position and won ₹1,00,000 at FKCCI Manthan 2025, organized by the Federation of Karnataka Chambers of Commerce & Industry (Govt. of Karnataka). Competing among 2000+ participants and 570 teams, they advanced through three pitching rounds over six months with their science-backed textile innovation for B2B and B2C applications.
8. Shiv Arora (1RVU23CSE427), BTech 2023 student, participated in HackDay BLR, a national-level hackathon held at Polaris School of Technology, Bengaluru, on 13 December 2025, and won first place for his project "Chronous", selected as the best among all entries.
9. Students Keishank D. Boswan, Koushik D., and S. A. Sashwath won the Outstanding Project Award at the EduAIThon Hackathon, receiving a ₹10,000 cash prize during IASF 2026 (ICTIEE 2026), mentored by Prof. Sonam Maju, held from 7–10 January 2026.
10. Gayathri Sriraman, 3rd Year, 5th Semester, presented a paper titled "Understanding Pedagogy in Special School: Insights into Teaching Learning Practices and NEP 2020 Alignment" at the International Conference on Educational Transformation: Legal Reforms and 21st Century Global Perspectives, organized by Mitra Dev Publications in collaboration with V. M. Salgaocar College of Law Goa. and Shinawatra University Thailand
11. Aishwarya Kandukuri, Sem-2 (Foundation Year – B.Des 2025), participated in the DAKAR 2026 Olympic Medal Design Contest, conducted in November 2025 as an online international competition inviting global creatives. Her design was shortlisted among the top entries and featured on the official DAKAR 2026 Olympics website until 21st February 2026.
12. Rashique Ansari secured 3rd place in Reel Making at INBLOOM, organized by Christ University.
13. At Emporio 2026, organized by St Joseph's University, the student contingent won the National-Level Intercollegiate Management Fest, securing a ₹1 lakh cash prize. Debmalya Chakraborty and Mahiyu Dasgupta (BBA) won in HR/PR, while Rohan S. Krishna and Arjun Menon (BBA Finance) emerged winners in Finance.
14. At the flagship fest Chanakya (EDP Vertical) organized by St. Joseph's College of Commerce, Debmalya Chakraborty (BBA) and Riddhi Praveen (B. Com) secured 1st place in Entrepreneurship Development.
15. At Transcendo 2026, organized by Mount Carmel College, students secured three individual accolades and emerged overall winners in Business Quiz Winners Business Pitch Winners and Vidith Somanna C (USN: 1RVU22BSC108), RV University, Bengaluru, is undertaking an externally funded collaborative research project on "Responsible AI Framework for Safe, Explainable, and Policy-Compliant Autonomous Systems."Marketing Winners
16. RV University, launched a Minor in Semiconductor Technologies in collaboration with industry, creating new opportunities for students. Kushal S, a second-year Computer Science student, secured a research internship at the (CMTI).
17. Surya Maheswaran and Sohan Kori completed a 10-day Advanced Academic Programme at the National University of Singapore. The programme offered hands-on learning in Applied Machine

Learning, Deep Learning, and Generative AI. They developed a multi-agent MIDI-to-Orchestral Score Generation system, converting a MIDI file into a synchronised MusicXML orchestral score using deterministic rules and constrained GenAI

18. Ms. Gayathri Sriraman, IV Semester, SOLASRV University, under the guidance of Dr. Sindhu Vasanth B, presented a paper titled "When Caring Hurts: Compassion Fatigue, Emotional Labour, and Educator Identity" at the ICSSR-sponsored International Conference on Workplace Dynamics & 5th Indian Congress of Industrial and Organizational Psychology held from 11th–13th March 2026 at the Central University of Haryana
19. Mithra Madhu, with student Girish, delivered an oral conference presentation on "Microplastics as the Next Generation of Trace Evidence in Forensic Drowning Investigations" on 13-03-2026, contributing through mentorship and co-authorship.
